## PRODUCT GUIDE

doactiveproducts.com

When you live an active lifestyle it's not unusual to shower a couple times a day - wreaking havoc on your hair and skin. Using gentle botanical ingredients, the do. line of products are specially formulated to restore and protect your hair and skin's natural pH moisture balance.

### Cross Train

Complete your workout with this 100% vegan shampoo, conditioner and body wash all in one. Adds shine and manageability to chemically treated hair.

### Freestyle

This 100% vegan clarifying shampoo removes chlorine residue and product buildup. Great to use prior to a chemical service or deep conditioning treatment. Won't fade color or relax curl.

### Speed Play

This 100% vegan shampoo will bring lift and vitality to your hair without stripping it of natural moisture. With every use your hair will be fuller, shinier and more manageable.

### Breakaway

Great for all hair types, this daily conditioner will leave your hair fuller, shinier and more manageable. Made with natural botanical ingredients.

### Endurance

Turn damaged or chemically treated hair into soft, shiny hair while mending split ends. Use as a quick conditioner or as an intensive hair treatment with or without heat.

### Finish Line

Condition and prevent damage to your hair caused by environmental stress with this preservative free spray. Controls static and resists humidity with light to medium hold. This is a paraben-free product.

### Super Set

This fast-drying spray controls static and resists humidity, protecting hair from environmental stress while allowing freedom of movement. Conditions your hair with each application. This is a paraben-free product.

### Core Impact

This 100% vegan leave in protectant will guard your color against UV exposure, free-radical damage and styling. Great for all hair types, this product is a natural detangler reducing drying time and increasing shine.

### High Point

Apply wax to wet hair before styling to smooth cuticle and provide control. Use on dry hair to lift and separate. The best part, no greasy feel.

### Bodybuilding

The control of a gel in a conditioning mousse, this unique formula foams as it is expelled. Conditions your hair with each use. Enriched with botanical ingredients.

### Face-Off

Let this Vitamin E hydrating mist restore the moisture in your skin. For use on bare face or sprayed over make-up to help set and keep fresh.
