COLORIFIC
hair color salon

Colorific offers you a whole new philosophy when it comes to hair color. During your initial visit a Director Colorist and Color Technician will work together with you to help determine your best color options.

Then, the Color Technician will custom blend your hair color and flawlessly apply it. To ensure the ease of your next visit, we'll record your specific hair care formula on a personalized client card.

Whether you're looking for a complete new look or just a subtle enhancement to your natural color — **Colorific makes hair color fun, fast and affordable.**

No appointment is necessary.
